Despite forecast heavy rain, all riders set off in dry conditions with only a few spots of rain for the later riders. By the time the tidying up at the HQ had been completed, the rain had started falling heavily, so we were lucky to have a clear weather window during the event.

The conditions were good enough for Rob Pears to break his previous course record by 1 second, apologies for not announcing it on the day.

I was very pleased to have 71 entrants for the event, especially the 8 ladies and 3 juniors who took the start line, I hope that we can build on these numbers for future events.

Many thanks go to all of those helpers from Bath CC who ensured the race was a success, many who were new to their roles (including myself), we've learnt a lot of lessons for next time.

Finally, thank you to all the riders, I hope you had a good race.
